

## Archers Brook SEMH Residential School PE and Sport Premium Development Plan 2016/17

### Rationale

The PE and Sport Premium provides ring fenced money to Primary School Headteacher's to improve the quality of the PE and Sport Activities they offer their pupils. The funding is currently worth £150 million per year and is provided jointly by the Department for Education, the Department of Health and the Department for Culture, Media and Sport.

### Archers Brook Vision

At Archers Brook, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision, give our pupils the opportunity to experience outdoor and adventurous activities and to broaden our facilities during recreational times.
