TO: PARENT/CARERS

Dear Parent/Carer

Autism Accreditation

School have been working towards the Autism Accreditation for almost three years and are about to undergo the final assessment. As part of the process, the National Autistic Society gather families' views on the School's provision for young people with Autism Spectrum Conditions. They have an online, anonymous survey for the parents/carers of the pupils with an ASC diagnosis. The survey takes just a few minutes and the link is below. You can also find the weblink on the School Website in the Parents Zone. If you could please take a few moments to complete the survey before 10 February 2020.

If you have any queries please do not hesitate to contact either myself or Mr Westwater.
